The purpose of the Association is to promote business within the boundaries of the Village through public service announcements, advertising, special events, and other means that may be appropriate.

Membership entitles you to take part in the decision-making for the items listed above and for other issues that may be presented to the membership for consideration. Your business will also be listed on our website with business information. Dues are half price this year at only \$75.00 for the whole calendar year.

We also have added an optional Village/Shopper Street Banner sponsorship. We will put your business's name on each Street Banner you sponsor. Price is \$75 before December 31, 2010, and \$100 thereafter.

All businesses within the physical boundaries of the Association By-Laws are eligible to vote on all matters. Other interested parties are eligible for open membership, which includes participation in all activities of the Association save voting on issues brought before the general membership.
